3	comprehend supported opinion		X		
3	comprehend hypothesis or conjecture		X		
3	draw inferences		X		
3	understand commonly used rhetorical devices such as simile and metaphor			X	
<b>READING: I can . . .</b>					
0+	recognize the basic elements of the writing system	X			
0+	understand numbers	X			
0+	understand some isolated words and phrases (signage, personal and place names, formulaic expressions)	X			
1	understand simple statements and questions	X			
1	understand general subject matter in simple material	X			
2	understand main idea and details in instructions written for general audience	X			
2	understand main idea and details in narrations across timeframes written for general audience	X			
2	understand main idea and details in descriptions written for general audience	X			
3	comprehend supported opinion		X		
3	comprehend hypothesis or conjecture		X		
3	comprehend conjecture		X		

**PART 2: Please answer the following self-reflection questions:**

1. What would you consider the most challenging in learning your language in this month?  
Speaking fluently
  
2. What actions have you taken that were most helpful in meeting your goals/challenges this month?  
Laoshi has really good feedback for speaking and has us write small reports about current events which I think has really helped my speaking.
  
3. What would you like to focus on next month?  
Speaking and Listening
